

Rahul Verma

Email: rahul.verma@example.com | GitHub: github.com/rahulverma-web

Summary

Third-year B.Sc IT student at NMIMS Mumbai. Interested in web development. CGPA: 6.8/10. Some exposure to JavaScript and React. Looking for my first industry experience.

Technical Skills

Programming: JavaScript, HTML, CSS

Frameworks: React (basic), Bootstrap

Tools: Git, VS Code

Databases: MySQL (basic)

Other: Python (beginner), Machine Learning (heard about it)

Projects

Personal Portfolio Website

Built a personal portfolio website to showcase my projects and skills. Used HTML, CSS and a little JavaScript for animations.

Tech Stack: HTML, CSS, JavaScript

To-Do List App (React)

Simple to-do list web application built with React for state management practice. Supports adding and deleting tasks.

Tech Stack: React, JavaScript, CSS

Education

B.Sc Information Technology, NMIMS Mumbai, 2025 (ongoing). CGPA: 6.8/10.
